**BPM Lux receives special honors at the
Industrial Innovation Prize event**

On November 21, BPM Lux, represented by its Managing Director Robert Thiemann, obtained a special mention in the category "Innovative Services to Industry" at the 17th ceremony organized by FEDIL granting the Industrial Innovation Prize. It is to be noticed that this special honor was given to a service provider. The event was held at the headquarters of the association in presence of numerous guests among which Jeannot Krecké, Minister of the Economy and Commerce, the Jury members and the other laureates of the 2006 promotion.

Last July, BPM Lux already received the *Internet Business Trophy 2006* award.
BPM Lux - an affiliate of RT-Log SA - is a physical postal address, accessible 24/24

hours and 7/7 days receiving letters, registered mail and parcels from its customers. It also provides personal notification services, re-expedition, reading and electronic archiving of received mail. Parcels can be received in Germany, France, Belgium, USA, Great Britain and Luxembourg. BPM Lux takes care to transfer them to the Grand Duchy or to any other destination worldwide.
